# VISION, MISSION & VALUES

01

## VISION

Human-Machine Symbiosis

## MISSION

Empower humanity for the AI future

## VALUES

- Community-Centric Approach.
- Continuous Learning.
- Inclusive Collaboration.
- Knowledge with responsibility.
- Ethical Innovation.

# 02 OBJECTIVE

## GENERAL OBJECTIVE
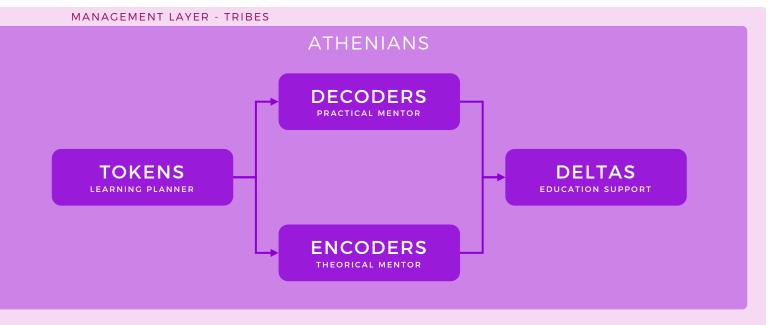

PROMOTING A GLOBAL OPEN COMMUNITY DEDICATED TO THE LEARNING AND EXCHANGE OF ESSENTIAL, THEORETICAL, PRACTICAL, AND APPLIED KNOWLEDGE IN AI.

# 03 ORGANIZATION

| TRIBES | SQUADS | RESPONSIBILITIES | QUALIFICATION |
|---|---|---|---|
| **SPARTANS** (LEARNERS) | **SPARTANS** (ALL COMMUNITY) | • Interested and committed to learning and sharing knowledge about AI. | • No qualification. |
| **ATHENIANS** (EDUCATIONAL) | **TOKENS** (LEARNING PATH) | • Designs and updates the learning plan and assessment tests ensuring that it is aligned with the latest advances in the field. | • **Knowledge:** Mathematical & programming Fundamentals, or AI.<br>• **Level:** Intermediate or higher.<br>• **Amount:** Min 1. |
| | **ENCODERS** (THEORICAL MENTOR) | • Delivers training sessions, workshops, and interactive learning experiences about theorical topics (mathematical & programming fundamentals). | • **Knowledge:** Mathematical, statistics & programming Fundamentals.<br>• **Level:** Intermediate or higher.<br>• **Amount:** Min 1. |
| | **DECODERS** (PRACTICAL MENTOR) | • Delivers training sessions, workshops, and interactive learning experiences about practical topics (MVPs and real-world applications). | • **Knowledge:** Applicable AI.<br>• **Level:** Intermediate or higher.<br>• **Amount:** Min 1. |
| | **DELTAS** (EDUCATION SUPPORT) | • Provides support to students & mentors, with moderation, distribution of materials, channels student queries. | • **Knowledge:** No qualification.<br>• **Level:** Beginner preferred.<br>• **Amount:** Min 1. |

# 04 PLATFORMS

| PLATFORMS | STRUCTURE | DESCRIPTION |
|---|---|---|
| **WHATSAPP** (FAST CHANNEL) | **SPARTANS** (ALL COMMUNITY) | • Will be the current whatsapp group AI Curious Minds. It's place where we can all make comments, queries, generate debate and more, respecting the community rules. |
| | **ATHENIANS** (EDUCATIONAL) | • Workspace to coordinate and develop educational processes, learning paths, trainings, and more. Only people from the squads: Tokens, Encoders, Decoders, and Deltas. |
| | **TITANS** (OPERATIONAL) | • Workspace to coordinate and develop operational processes, logistics, session scheduling, feedback collection, improvements, organization management, and more. Only people from the squads: Sigmoids, Broadcasters, and Delphics. |
| | **AI-NEWS** (NEWS BROADCAST) | • Place to share news, updates and trends about AI. |
| **DISCORD** (MAIN CHANNEL) | **PENDING** | • Main workspace for community development, training channels, detailed coordination, information sharing, meeting programming, live sessions, ai-news, and much more. |
| **GITHUB** (REPOSITORY) | **PENDING** | • Central repository for the storage of all community generated files, work plans, study plans, tests, scripts, datasets, and more. |
| **CLICKUP** (MANAGEMENT) | **PENDING** | • Workspace to manage and monitor the generation, development and execution of activities of the community management layer. |
